AMENDMENT AND RESPONSE UNDER 37 C.F.R. § 1.111

Mail Stop Non-Fee Amendment

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the non-final Office Action dated April 30, 2003 for which a response is due on July 30, 2003.

Prior to the Office Action dated April 30, 2003, the Office issued an Action in the same matter dated March 26, 2003 (the March Office Action). The March Office Action was mailed to representatives no longer of-record in the present matter and receipt thereof by the current representatives was severely delayed. Accordingly, Applicant's current representative contacted Renee Pettus at TC 1600 to request that the time period for response be restarted. Thereafter the Office issued/mailed, and Renee Pettus gratefully forwarded, a new Office Action dated April 30, 2003 having a period for reply set to expire three months from April 30, 2003. As all other aspects of the April 30, 2003 Office Action and the March Office Action are the same, the Applicant understands that the April 30, 2003 Office Action supercedes the March Office Action. It is the April 30, 2003 Office Action to which the Applicant is responding. Accordingly, this response is considered timely filed. Reconsideration and allowance of the pending claims, as amended, in light of the remarks presented herein are respectfully requested.
